

Roger's Phone Numbers by Country

You can message Roger on the following numbers. For most numbers below, Voice Drop is also supported. If the phone number you message from is already stored in your profile, Roger will automatically recognize who you are

Country	Phone Number
US	+1-747-223-6030
UK	+44 7403 929747
Australia	+61 451 562 721
Netherlands	+31 97004498747
Sweden	+46 76 943 87 47
Belgium	+32 460 20 17 47

How does Voice Drop work?

You call the number and drop a voice message. Roger will message you back using one of the communication medium you use (Email, Slack etc)

When is Voice Drop Useful?

- When you are driving or otherwise in a situation where it may be hard to type up a message
- When you want to communicate something complex that will take too long to type

My country isn't supported in the list above

Message us on questions@okroger.ai and we will see what we can do! We are constantly adding more numbers
